Tēnā tātou katoa

As you are aware, New Zealand has been placed at Level 3 and moving to Level 4 in 48 hours time on the New Zealand Covid 19 Alert Levels.

As a result of this Dargaville High School will be closed from the end of today.

All students are not to attend school apart from students of essential services which include; Doctors, Nurses, Police, Supermarket Workers, Ambulance and Pharmacy Workers and Petrol Station employees. For a more definitive list please refer to the Covid-19 site.

We are working as a staff to ensure there is work available for students online to continue their education. If you do not have internet access or a device which will work with Google Suite can you please urgently contact the school office if you have not already been contacted.

While the closure is until the end of the upcoming school holidays we will keep you informed of any changes.

Students of essential workers can report to school to meet with Mr Butterworth in the school Library at the normal school commencement time.

The Covid-19 dedicated website has a lot of information all in one place. The website is <https://covid19.govt.nz/>.

Please ensure that you follow the guidelines given by the New Zealand Government. Hoping that you all keep safe over this difficult time.
